

What We Offer

Meadow Pathways delivers specialist, trauma informed support for schools and multi-academy trusts. We work in partnership with school leaders, inclusion teams and families to stabilise placements, strengthen attendance, and improve outcomes for young people. Our service provides external expertise and bespoke interventions that enhance your existing provision, build staff confidence, and create sustainable, inclusive practice across your setting.

Our Inclusion Offer

✓ At Risk Placement Support

Consultancy to develop internal Alternative Provision, creating safe, structured spaces that positively support, engage and reintegrate vulnerable young people.

✓ Internal Alternative Provision Development & Inclusion Consultancy

Consultancy to develop internal Alternative Provision, creating safe, structured spaces that positively support, engage and reintegrate vulnerable young people.

✓ Family & School Partnership Work

Direct work with families to align approaches, reduce conflict and build consistency.

✓ Guided Intervention Planning

Bespoke, practical plans staff can realistically implement.

✓ Staff Consultancy & Onsite Support

On the ground guidance for all relevant staff.

✓ EBSNA & EOTAS Support

Relational, guided support for children unable to currently access full time education, with clear reintegration planning where appropriate.

Do you need.....

To reduce exclusions and placement breakdown across your trust?

Support for pupils at risk of EBSNA/persistent absence?

Clear evidence of early, trauma-informed intervention?

Additional capacity to support staff working with complex needs?

Re-engage and improve attendance?
